It was agreed as Mr. Mitchell stated, that if either of the women should die the property should all belong to the sur-vivor. They agreed to remain single vivor. They agreed to remain single and work for each other. Sophie man-aged the farm, milked fifteen cows daily, plowed dragged and did the housework. When Mrs. Williams died they had paid the debts age had \$12,000 in the bank or out drawing interest. It is claimed that Mrs. Williams desired to have the proper papers made out so that Sophie would have the property and had made an appointment with Henry Spring and Boyd Pantlind to come to the place and see that the papers were drawn properly, but she died before this was done Slophie put in her elaim against the estate and was not allowed what she thinks she is entitled to, she therefore

CURE FOR RHEUMATISM.

In Paine's Celery Compound Is New Life and Energy.

Inspector Samuel D. Conway Is Permanently Cured.

Had Tried Doctors and All Other Remedies Without Any Relief.

Paine's celery compound gives new life and energy to the system. It is the one true specific for the cure

of rheumatism.

It abundantly supplies the materials demanded by the blood and nerves. It is the best possible restorer for elderly people. The period beyond middle life is the most precious part of life. It was meant to be calm, ripe, and strong. At 60 one should be like well-seasoned timber. To be feeble and weak is not natural, for nature's tendency is toward health. Weakness and pain simply show the need of better food for the nerves and blood.

nerve, and blood.
Says Samuel D. Conway of St. Louis:
"I am 64 years old. I have resided in

St. Louis 27 years, and all of this time with the exception of three years I have served in the engineers' department as inspector and overseer.

"Last winter I contracted rheumatism and was laid up. I tried all remedies and doctors, but all failed until I struck

Paine's celery compound, which has made a permanent cure of my case. I have recommended it to many, and they have used it with the same result.

"My case was an exception to most others from the fact that sewers are most always built on low grounds, and the inspector is exposed to the water and earth excavated, which has a tendency to fill the system with majaria.

Mr. Conway is one of the thousands whose rheumatism has been cured by Paine's celery compound.

A New Certain Cure for Piles.

We do not intend to inderse any except articles of genuine merit; we therefore take pleasure in recommending to sufferers from Piles in any form, a prompt and permanent cure. The following letters speak for themselves:

Mrs. Mary C. Tyler, of Heppner, Ore., writes, One pkg, of Pyramid Pile Cure entirely cured me of piles from which I have suffered for years, and I have never had the slightest return of them since.

Mr. E. O'Brien, Rock Bluffs, Neb., says: The pkg. of Pyramid Pile Cure entirely removed every trace of liching piles. I cannot thank you enough for it.

The Pyramid Pile Cure is a new, certain, painless cure for every form of piles. It is safe, sure and cheap. Any druggist will get it for you if you ask him.
